

## Independent Testing Laboratory 3D Printing Service Request Form

### Section I - Customer Information (To be completed by all 3D printing Customers)

Customer: \_\_\_\_\_ Contact: \_\_\_\_\_ Email: \_\_\_\_\_

---

### Section II - Company Information (To be completed by new customers only)

Address: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_

Zip Code: \_\_\_\_\_ Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

---

### Section III - 3D Printing Request (To be completed by all 3D printing Customers)

**Important Considerations:**

All model walls and floors need to be a minimum wall thickness of .040 inches.  
Maximum build envelope is 8" by 8" by 12." Larger models will be sectioned and glued.

Part name or Part Number to Submit: \_\_\_\_\_

**Model Format:**

.STL - (preferred) \_\_\_\_\_  
.STEP \_\_\_\_\_  
Solidworks Model \_\_\_\_\_

STL files should be set to .0005 deviation and 1 to 1.5 degrees in angles for optimum results.

**Model Interior:**

Solid \_\_\_\_\_  
Sparse - (Solid outside & Honey combed inside) \_\_\_\_\_

Sparse interior will reduce cost due less material usage.

**Method of Providing file:**

Email \_\_\_\_\_  
CD \_\_\_\_\_  
Secure Internet Access \_\_\_\_\_

Files under 2 MB may be emailed.

**Date Required:** \_\_\_\_\_

**Quantity Required:** \_\_\_\_\_

**Color Required:**

White - (standard) \_\_\_\_\_  
(Optional - Black, Blue, Red, Green and Yellow. May effect delivery)

Custom colors are also available.

**Scale: (default- 100%)** \_\_\_\_\_

**Comments/Notes:** \_\_\_\_\_

**How did you hear about us?:** \_\_\_\_\_
